### RE: Draft LEMSA Administration Policies

The review and comment period for development and adoption of the following Administrative Policies has been initiated. Please review carefully and submit comments. This public comment period will close August 9, 2015.

Policy and Procedures Manual Section 6000- Data Collection and System Evaluation

- 6000 EMS Provider Data Requirements
- 6001 ePCR Completion
- 6002 Quality Improvement Program
- 6003 EMS Event Reporting

The implementation date of the new CVEMSA PCR and Data Collection System is nearing. The attached policies are intended to maximize the data collection, analysis and oversight capabilities of the EMS system, providers and other stakeholders.

Drafts of the Administrative Policies are attached. Please forward comments via fax or email to:
