Northern Sonoma County FPD Reorganization

The Commission will conclude a protest proceeding for the reorganization of the Northern Sonoma County FPD reorganization involving annexation of several IRP territories (Geysers, Sotoyome, Fitch Mountain) at its February 1, 2023 meeting.

No formal protests have been filed with LAFCO to date.

(This matter was held over from the Commission's February meeting due to an incorrect agenda item listing.)

"Remainder" CSA 40 Territories - Municipal Service Review

The Commission directed staff to complete a Municipal Service Review of "remaining" CSA 40 territories (the lower "six-pack" and several IRP areas), and staff will place review of a draft report before the Commission at their March 1st meeting. The report will not recommend sphere of influence amendments involving these areas, at the Commission's direction.

CSA 40 Sphere of Influence Study

The Commission will consider adoption of a Sphere of Influence Study for almost all of the remaining territory of CSA 40 at its April 5th meeting. The draft study will be available on the Commission's web site in early March.

Gold Ridge FPD Reorganization Application

The Gold Ridge FPD has exercised a right to seek commission review of their application for reorganization involving CSA 40 territories. The Commission will consider the application at their April 5th meeting.

Sonoma Valley FPD Contract for Service for Kenwood FPD

LAFCO staff expects to receive an application from the Sonoma Valley FPD seeking approval of a contract for services to provide staffing support to Kenwood FPD. This item will be scheduled for Commission review upon receipt of an application package.
