

Confined Space Rescue Technician

**Offered by Sonoma County Fire
In partnership with Dry Creek Rancheria Fire**

Confined Space Rescue Technician is a 40-hour CA State Fire Marshal certified course taught in a five-day format. This course is an intensive hands-on training program that will prepare you to respond to confined space emergencies. This course of instruction prepares the student in identifying confined spaces and permit-required confined spaces, the hazards associated with permit-required confined spaces, target industries and hazards, state and federal regulations, components of a rescue operation and the roles and responsibilities of the rescue team.

Instructor: Frank Cercos- 21 year veteran with the San Francisco Fire Department. Frank is a Battalion Chief, currently assigned to 84.

Student Requirements:

Students are required to bring the following equipment to class every day.

- Fire department helmet or rescue helmet
- Rope rescue or fire department gloves
- Long pants or coveralls - NO SHORTS
- Steel toed and shanked safety boots
- Short or long sleeve t-shirt

Optional Equipment:

- Water
- Sun screen
